- To expand the range of physical activities children experience across the year.

Summary of spending - 2018-19

### 2018-2019 ST BENEDICT BISCOP C.E. PRIMARY SCHOOL

Amount Sports Premium received		£17,630	
Total amount of Sports Premium spent		£17,699	
Item/ project	Cost	Objectives	Impact
New PE subject leader training and support	£660  6 x £110 half day supply cover for meetings and training 1 x £200 AHT release to hand over PE leadership and support across the year with maintaining Sports Mark Accreditation.	To ensure high quality PE leadership supports development of provision.	Subject leader had clear understanding of School Sports Mark expectations and created an effective portfolio across the year to maintain sports mark gold award successfully.  The school have been recommended to consider applying for platinum next year.  Children took part in a range of cluster sports activities including cross country, netball, football, multi sports, and cricket.
Additional sports clubs to encourage children to access sports opportunities	TA and CT release – Half day per week	To build confidence in additional sporting activities.	Children across KS2 attended the sessions with Wombourne Crown Green Bowling Club, to develop their

locally outside of school – Release time of PE coordinator to attend meetings with bowling committee and complete necessary risk assessments – Wombourne Crown Green Bowling Committee (3x half day)	for Summer Term £2,900	Build on range of sporting activities children engage in out of school to encourage a healthy lifestyle.	understanding of this sport and the facilities available locally. Following these sessions children were surveyed and said they had enjoyed learning a new sport and would like to join the club in the future. Parents have fed back that the children enjoy the sessions and now attend bowling outside school
Additional swimming sessions for children in KS2 who did not achieve 25m unaided during their swimming sessions in Y3	£450	To ensure all children are able to swim unaided by the end of KS2	94% of Year 6 cohort had achieved 25m unaided swimming by the end of their time at St Benedicts. Four children in current year 5 attended additional swimming this year and eight in current year 4. Two of the children in Year 5 did not achieve 25m, all other children in the cohort did. Six of the year 4 children achieved 25m and the remaining children will swim again during year 5. Children are safe in the water and have appropriate skill level to build upon in high school.
Specific sports clubs targeted at children in KS1 to develop skills and participation	£950  £25 per session x 38 weeks	Children across school are given opportunities to experience various sports with expert tuition.	Multi sports, dodgeball and football club offered to children in Key Stage 1 across the academic year. There is at least one sports club a week for children in Key Stage 1 with a capacity of 30 pupils. Priority is given to children who have not previously attended a club if necessary. Clubs are well attended with capacity numbers for all clubs.

			Children who attend after school clubs exceeded 2 hours of activity weekly.
Competitive sports clubs for KS2 pupils to support competition entry and engagement in competitive sports.	£1425 £25 per session x 57	Pupils are given the opportunity to attend after school sports clubs which link with competition entry locally.	Sports clubs for football, netball, cricket, cross country available to all children with specific support targeted to children who show an aptitude for individual sports. Support to attend local and regional competitions.
Forest school area to be enhanced to support active learning	£2,175	Development of the forest school curriculum and resources.	Pupil surveys identify that children find their forest school sessions motivational and recognise that the sessions support them to develop their resilience and team working. Sessions observed note that children are engaged in physical activity throughout the majority of sessions. Links with gardening and health eating support children to develop healthy lifestyles. Enhance provision included tarpaulin to support sessions in all weathers. Building of outdoor kitchen prep area to link with healthy food and diet. Resources to support team building activities.
Provision of lunchtime clubs to support active playtimes	£1710 £15 per session 3 x weekly x 38 weeks.	Opportunities for active games are enhanced. Children are encouraged to try activities they have not previously engaged with.	Lunchtime clubs are well attended. Children participate from across all age ranges and abilities.
Competition entry, staffing and transport costs	£1,675	Children are supported to participate in competitions across the year	Children develop their skills in a competitive environment.
Purchase of equipment for lunch and playtime to	£1,760	A range of activities are available at playtimes to engage more children	Children are engaged in activities during playtimes.

encourage active games		during lunch and break times.	Observation of activities taught during clubs being adapted into playtime roles
Purchase of sports equipment to support curriculum development.	£1,540	Curriculum is well resourced and supports a range of sports.	New resources purchased for rounders, netball, cricket, football, basketball to support curriculum development. Equipment supports all children to engage in PE lessons.
Purchase of new netball kit to raise profile of team across school.	£209	Team have a high profile in the school which raises the profile of sports.	Team felt well supported. Engagement in netball activities at break and lunchtime increased as children joined in when the team practiced.
CPD for teachers new to the school to improve their understanding of high quality PE. (4 hours per year per teacher x 3 teachers)	£1,900	Teachers develop their understanding of the teaching of PE	Children experience high quality PE at all ages. Lesson observations across all year groups saw high quality provision from specialist and non-specialist staff. Activity within lessons was good for all children with appropriate differentiation supporting children at all levels to access lessons.
Outdoor education subsidy to support disadvantaged children to access wider provision	£345	To enable pupils to participate in adventurous sports.	Children who would not otherwise be able to attend outdoor education residential were subsidised so that financial constraints did not prevent them from attending. Children took part in adventurous sports they would not usually experience. Children grew in confidence by challenging themselves through a range of activities.
<b>Total</b>	<b>£17,699</b>		

#### Summary of allocation and proposed spending 2019-2020
